**OPUS GROUP TO SHOWCASE BUSINESS SOLUTIONS AT ORACLE OPENWORLD  
SEPTEMBER 22–26 IN SAN FRANCISCO**

**McLean, Va.—(September 10, 2013)**—Opus Group, LLC (Opus Group) will exhibit its business solutions at Oracle OpenWorld from September 22-26, 2013 in San Francisco. This marks Opus Group’s third year joining thousands of top tech innovators at the annual conference to exhibit its award-winning CRM, business intelligence, and data warehouse solutions for the public sector.

Opus Group invites all attendees to visit its booth (#3540 Moscone West) to learn more about its solution offerings proven to help organizations become more efficient, accountable, and responsive to customer/constituent needs. The company’s client, the City of Atlanta, Georgia, will participate in the OpenWorld session entitled “Transforming Local Government to Meet Today’s IT Modernization Challenges” to discuss its new 311 solution currently being implemented by Opus Group.

For more information or to register for Oracle OpenWorld 2013, visit:  
<http://www.oracle.com/openworld>.

Opus Group first attended Oracle OpenWorld in 2011 where it was presented with an Oracle Titan Award honorable mention in recognition of its highly successful delivery of the Oracle-  
software-based MC311 Constituent Contact Center solution for Montgomery County, Maryland.

Opus Group, LLC is a Small Business Administration (SBA) certified 8(a) firm that provides customer relationship management (CRM), Business Intelligence (BI), and Data Warehouse (DW) strategy, technology, and governance consulting services to public sector, commercial, and non-profit clients. For more information, please visit [www.opusgroupllc.com](http://www.opusgroupllc.com) or email [info@opusgroupllc.com](mailto:info@opusgroupllc.com).
