OPUS GROUP WINS PRINCE GEORGE'S COUNTY, MD TASK ORDER FOR ERP DATA PREPARATION

McLean, Va.—(March 18, 2013)—Opus Group, LLC (Opus Group) has been awarded a task order with Prince George's County, Md. to perform comprehensive ERP data preparation activities. The task order was awarded under the company's Computer and Technology Services (CATS) blanket purchase agreement contract with the county.

Working in conjunction with the County's Office of Information Technology (OIT), Opus Group will leverage the vast experience of its teaming partner, iGATE, in business data extraction, analysis, and standardization to prepare key legacy system data for conversion to the county's new ERP system. The Opus Group project team will employ a proven, three-stage data preparation methodology to identify, extract, collect, cleanse, and standardize data from multiple legacy systems in preparation for upload into the county's new ERP environment. Preparation will be performed for data related to the County's finance, budget, procurement/contracting, warehouse, and inventory functions.

Opus Group, LLC is a Small Business Administration (SBA) certified 8(a) firm that provides strategy, technology, and governance consulting services in the areas of customer relationship management (CRM), Business Intelligence (BI), Data Warehouse (DW), and Service Oriented Architecture (SOA) to public sector, commercial, and non-profit clients.
