Opus Group LLC®

OPUS GROUP TO DEMO NEXT GENERATION CLOUD COMPUTING SOLUTIONS AT ORACLE OPENWORLD SEPT 28–OCT 2 IN SAN FRANCISCO

McLean, Va.—(August 20, 2014)—Opus Group, LLC (Opus Group) will exhibit its next-generation Cloud computing solutions at Oracle OpenWorld from September 28-October 2, 2014 in San Francisco. This marks Opus Group's fourth year joining thousands of top tech innovators at the annual conference.

Opus Group invites all attendees to visit its booth (#3556 Moscone West) to view a demonstration of the company's new Opus 311 Constituent Contact Center solution, developed on the Oracle Service Cloud. The Opus 311 solution embodies business processes and best practices for government service delivery in a rapid-deployment, Cloud-based offering to municipalities seeking to better serve their residents and optimize resources.

For more information or to register for Oracle OpenWorld 2014, visit:
http://www.oracle.com/openworld.

Opus Group first attended Oracle OpenWorld in 2011 where it was presented with an Oracle Titan Award honorable mention in recognition of its highly successful delivery of the Oracle-software-based MC311 Constituent Contact Center solution for Montgomery County, Maryland.

Opus Group, LLC is an award-winning Small Business Administration (SBA) certified 8(a) firm that provides strategy, technology, and governance consulting services in the areas of customer relationship management (CRM), Business Intelligence (BI), Data Warehouse (DW), and Service Oriented Architecture (SOA) to public sector, commercial, and non-profit clients.
